Intro: G D Em C (continues this progression through the verses and chorus)

Your mercy's unending
You grace is surreal
You love me

I am so undeserving
And that's how I should feel
Thank you Lord

Chorus

G D Em C G D Em (C Em D)

Oh Praise You, Yeshua

Oh Praise You oh Lord

(Repeat)

You are strong
I am weak
You are meek
I am proud
How can you love me...

...but your favor you give
and that's why I can live
And that's why I sing

(CHORUS) (CHORUS)

Praise You Oh Lord, Praise Oh Lord

(hum chorus)
