## **(Chorus)**

Praise You Lord, above the heavens  
Praise You Lord, across the earth  
Praise You Lord, with all we have  
'Cause all we have You've given

## **(Verse 1)**

Praise You with our mouths  
Praise You with our hands  
Praise You with our feet  
As we worship across the land (2<sup>nd</sup> time – as we dance across Your lands)

## **(Verse 2)**

Praise You with our lips  
Praise You with our hearts  
Praise You with our soul  
As You touch us and make us whole

## **(Verse 3)**

Praise You with our voice  
Praise You with our being  
Praise You with hands lifted up  
Praise You that we're free!
